

Re : Sinclair  
Broadcasting's  
airing of "Stolen  
Honor".

I understand that  
Sinclair  
Broadcasting uses  
public airwaves and  
acts under a license  
issued by the FCC. I  
wish to lodge my  
objection to this  
corporation  
compelling all their  
stations to air this  
apparently pro-Bush  
film shortly before  
the elections,  
whilst refusing to  
air adverts in  
support of Senator  
Kerry.

This highly partisan  
and self-serving  
abuse of their  
position should not  
be allowed and I  
expect the FCC to  
exercise all options  
within its power to  
prevent such a  
perversion.

Thank you for your  
immediate action in  
this matter.

Sincerely yours  
Anne Spicker
